

IQAC REPORT SUMMARY ON TEACHER'S ATTENDING CAREER ADVANCEMENT AND PROFESSIONAL DEVELOPMENT

The IQAC provides the teaching staffs opportunities to improve their professional skills by conducting seminars department wise and encouraging them to attend seminars conducted by other colleges and universities (state , national and international level) also. Guest lectures are also arranged in the college. Capacity of Non-teaching staff is also developed by conducting regular training programme and interdepartmental training. By doing so each staff comes to know what is happening in each department and they become capable of working in other departments.

The strategies adopted by the institution for faculty empowerment are in accordance with the central & state govt. rules. These rules pertain to attending seminars, conferences, refreshers and orientation courses and other training programmes. The need for such training is assessed by the heads of departments who recommend members of the faculty for such programmes. The head of the institution submits C.R.(Confidential Report) of the faculty and staff annually which is taken into consideration when promotions are due. The strategies adopted by the Government of C.G. for faculty welfare include monetary and career advancement benefits for those with higher qualifications such as M. Phil and Ph.D as well as opportunities for those who wish to improve their qualifications. At the institutional level IQAC and the college Janbhagidari Samiti motivates faculty members
